

# 2015 NIGHT NARAMATA - EX NIHILO VINEYARD

## OUT OF NOTHING

### WINEMAKING

All grapes were hand harvested from the Naramata Bench in October, sorted and de stemmed before fermenting on skins.

Once pressed, the wines were transferred into barrel, completing malolactic fermentation. After three years of barrel aging, the wines from these five Bordeaux grapes were carefully blended to create this vintage.

### TASTING NOTES

Grapes from our Black Sage Bench and Naramata vineyards were selected to create this elegant blend of Cabernet Sauvignon, Merlot, Cabernet Franc, Petit Verdot and Malbec.

After 30 months in French and American oak, this Bordeaux style red wine is perfectly balanced with rich, deep aromas of cassis and plum. The palate boasts flavours of black currant and coffee complimented by bold, intriguing tannins.
