

# 2016 RIESLING - EX NIHILO VINEYARDS

*...out of nothing*

## WINEMAKING

True to traditional style Rieslings, the fruit was hand harvested and sorted followed by gentle pressing for maximum extraction.

The free run juice then went through a cool, two-week fermentation in stainless steel tanks. The grapes were handpicked in October 2016 from our North Okanagan property.

## TASTING NOTES

The quintessential North Okanagan Riesling.

Aromas of crisp apple, lime zest, petrol, and honeysuckle. Slate, honey, and gooseberries on the palate.

Beautifully aged in bottle prior to release to showcase the elegant acidity and lasting finish.
