

# 2017 RIESLING - EX NIHILO VINEYARDS

*...out of nothing*

## WINEMAKING

The grapes were hand harvested, destemmed and crushed into stainless steel.

Fermented slowly over 14 days focused on the perfect balance of acidity and natural sweetness. The wine was clarified naturally over the winter months.

Appellation:	Lake Country, Okanagan Valley
Composition:	100% Riesling
Bottle Size:	750 mL
Alcohol:	12%
Residual Sugar:	7.8 g/L
Acidity:	7 g/L

## TASTING NOTES

Left hanging on the vines for optimal flavour, we were hit with an abrupt winter snowfall and freezing temperatures. The result of the brief freeze is a rich and luscious wine with more concentrated flavours and a slightly sweeter residual effect.

A delicate perfume of floral and orange peel on the nose. Flavours of citron confit, lime, and honeydew melon will linger on the palate with a balanced presentation of acidity and sweetness.
