

2018 XXX VIOGNIER - EX NIHILO VINEYARDS

...out of nothing

WINE MAKING

The grapes were hand harvested, destemmed and pressed into stainless steel to ferment over 11 days.

Four French oak barrels were filled and set aside for aging while the stainless steel tank clarified naturally over the winter months. The two methods were blended to create a wine with the 'X' factor.

TASTING NOTES

A full-bodied wine bursting with exotic perfume and vanilla cream. Our newest wine is vibrant with tangerine, creamsicle and sweet citrus with a soft barrel influence to make it a stand out romantic wine.

The perfect pairing with butter poached shrimp or Moroccan influenced dishes.
