

2018 PRIVATA - EX NIHILO VINEYARDS

...out of nothing

WINEMAKING

The wines that were used to make this Privata were fermented and aged separately. After 12 months and in August of 2019, the wines were married together. At that point, they went back into barrel for another 12 months before bottling.

Aged in both French (85%) and American (15%) oak for 20 months.

TASTING NOTES

This private selection of Okanagan wines is a beautiful full body presentation.

Dark cherry, plums and semi sweet chocolate on the palate. The smooth tannin and length on the palate perfectly represents the 2018 growing season.
