

2020 PINOT GRIS - EX NIHILO VINEYARDS

... out of nothing

WINEMAKING

Hand harvested, destemmed, and gently pressed to stainless steel tanks. Fermented at low temperatures for 20 days to retain the fresh acidity and aromatics, then allowed to sit on lees until January.

Sourced from two vineyards to produce a beautifully balanced and aromatic Pinot Gris. From our southern vineyard bordering Canada and the USA and bringing the plush stonefruit flavours. From our estate vineyard, crisp citrus acidity. Yours to enjoy all summer long.
