

2019 PETIT VERDOT - EX NIHILO VINEYARDS

... out of nothing

WINEMAKING

From our most southern vineyards in Osoyoos, BC, this small lot Petit Verdot was picked in the last days of October.

TASTING NOTES

The mineral soils and thick-skinned berries have given the depth of dark garnet red colour, and the tannin structure that this variety offers.

Sharing intense violet and cassis aromas and flavours of blueberries, cherry and hints of summer strawberry.
