

2020 sX IMAGINE - EX NIHILO VINEYARDS

... out of nothing

WINEMAKING

Riesling, Viognier and Gewürztraminer grapes were hand harvested, destemmed and pressed individually into stainless steel and fermented at low temperatures between 8-14 days.

This Prosecco-style wine was carefully blended to bring out the best of all varietals. After taking so much care fermenting the wines, the Imagine was bottled as soon as it was ready for you to enjoy.

TASTING NOTES

This aromatic wine shows beautiful notes of fresh florals and citrus. The delicate bubbles balance well with the acidity on the palate.

Crisp and refreshing with lemon, lime, grapefruit and lychee will awaken your taste buds.
